City Council Message
from Mayor Steve A. Hiatt

My Fellow Kaysville Residents,

2015 has already proven to be an exciting year! We've just finished our amazing Independence Day celebrations which started with the Patriotic Devotional, Kaysville Idol singing competition, and the community play, “Seven Brides for Seven Brothers” (which was a great performance).

On July 3rd, the Block Party, in its second year, yielded thousands of participants to downtown Kaysville as Main Street was closed to vehicular traffic from 9:00 p.m. to midnight and celebrated with dancing, music, food, and plenty of activities. Of course, our historic breakfast, parade and fireworks were a hit as usual. Thanks to the hundreds of volunteers who give up their personal time to make these events a blast for the rest of us!

While we are more than half way through the summer months, all year exciting things have been happening around the community. The new Kaysville Police Station is complete and included an upgrade to the landscaping on the City Hall block. The ribbon cutting and open house were held in late June. Several hundred residents turned out for the celebrations and saw firsthand the benefit the new station brings to the community. Our police officers are grateful for the building which allows them to appropriately serve the residents and provide victims the safety, security and confidential environment they deserve.

The 15,000 square foot Kaysville Branch of the Davis County Library is nearly complete. The new branch is located on the corner of 200 North and Fairfield Road. The new facility nearly triples the size of the current library and includes an auditorium, conference rooms and several computer work stations, all available to the public. The new location will open with nearly 80,000 items in its collection, and is capable of holding up to 100,000 items. The new library is beautiful and includes several nods to Kaysville’s historic past. The new library will open on Saturday, August 15th beginning with a ribbon cutting at 9:30 a.m. A grand opening celebration will continue that day and will run until 12:30 p.m.

A new 127,000 square foot Smith’s Marketplace is scheduled to open on October 7 and will help to capture a large portion of retail sales currently leaving the city. America First Credit Union is building a new brick and mortar location on the corner of 200 North and Flint Street. Several other retail and food establishments are negotiating for the remaining sites and will be announced shortly.

Maverik Convenience Stores has opened a new location at the corner of 200 North and 900 West. When plans for that location were originally submitted to the City, the store appeared rather plain. Exterior materials were primarily stucco with a facade that didn’t resemble the design enhancements Kaysville citizens expect. To Maverik’s credit, upon request, officials completely redesigned the Kaysville store. The Kaysville location is now a company first, dubbed the “store of the future,” complete with a timer front, rock accents, a made-to-order grill and becomes the flagship store for Maverik locations throughout the country.

Bowman’s Market, Kaysville’s hometown grocer of over 100 years is also undergoing some major renovations. Several enhancements have been made to the store that further broadens the appeal of being a locally owned grocery store. The shopping center north of Bowman’s is soon to receive an “Old Grist Mill” restaurant and another restaurant is pursuing a site in the same area.

Orlando’s, a new Mexican Restaurant, has opened in the former PepperBelly’s location and boasts some of the finest Mexican food in northern Utah.

Much time, money and effort has been spent by these businesses investing in our community. Show your support by patronizing Kaysville businesses and letting them know you appreciate their support of Kaysville.

As a reminder, a database of the more than 1,000 Kaysville Businesses can be found by visiting www.KaysvilleBiz.com.

Thanks to all those who have contributed to the many successes we are enjoying and thanks to all of you who do your part to make Kaysville the very best place to live!

Mayor Steve A. Hiatt
### Primary Election

A Municipal Primary Election will be held on August 11, 2015 to elect three Council Members. Candidates for this election are Katie Witt, Dave Adams, Bobby Johnston, Larry Page, Lorene Kamalu, Gregory A. Frank, Jake Gam and Brett Garlick. Ballots have been sent to all active registered voters in Kaysville. In order for your vote to be counted, your ballot must be returned to the Davis County Clerk’s Office by August 11. If you lost your ballot, forgot to send your ballot back or wish to vote electronically, visit one of the following Vote Centers on election day from 7:00 a.m. to 8:00 p.m.

- Kaysville City Hall (23 East Center Street)
- Kaysville Bible Church (181 North Flint Street)
- Kaysville Senior Center (175 South Main Street)

*Bring valid identification with you and the ballot you received in the mail if you have it.*

### Stormwater Runoff

Stormwater runoff is rain water that runs off rooftops, lawns, driveways and streets in our neighborhoods. As it flows, it picks up dirt, leaves, grass clippings, pesticides and fertilizers, oil and grease, harmful bacteria, toxic chemicals, litter and other contaminants. All of these pollutants are carried by stormwater into storm drains and ultimately into our streams and rivers. Please help keep our storm drains clean and our creeks free from pollution. Do not place anything in the gutter that will wash down the storm drain.

### Welcome to the Jungle

The Davis County Fair will be held August 12-15 at the Legacy Events Center in Farmington. Come enjoy elephant shows and rides, tiger and reptile shows, free entertainment, main stage acts, pony rides and petting zoos. Free admission.

For more information about the Fair, visit www1.daviscountyutah.gov/fair/.

### Medicare

Davis County Senior Services is offering free classes on Medicare benefits. Information includes when to enroll in Medicare and what the different Medicare benefits are.

The next class will be held at the Autumn Glow Senior Center (81 East Center Street, Kaysville) on Thursday, August 27, from 6:30-7:30 p.m. No pre-registration is required. For more information, contact Marie at 801-525-5086.

### Flag Disposal

American Legion Post 27 recognizes that citizens of Davis County love and respect the flag of the United States. Post 27 will provide a suitable place for disposing flags that have served beyond their time.

With assistance from fire departments, military, Veterans and scouting organizations, a large boutique will properly and respectfully retire hundreds of flags of all sizes on August 13 at 8:30 p.m. at the Davis County Fairgrounds outdoor arena. The public is invited to attend.

If you have a flag you want to dispose of, bring it to the Kaysville Fire Station (175 South Main Street) prior to August 13.

### Cold Cones and Cool Cars

Come check out beautiful vintage cars on Saturday, August 29, at Heritage Park (250 North Fairfield Road).

No entry fee for those who would like to enter a car. All registered participants will be eligible for drawings from merchant donations. Pre-entries accepted until August 23. For an entry form, visit www.kaysvillerec.com (under Community Events) or call Ed Smith at 801-726-4429.

**Car show - 11:00 am to 3:00 pm**

**Free ice cream cones - 11:00 am to 1:00 pm**

Gordon Christensen, who began the tradition of giving away free ice cream cones in Kaysville, passed away in June. Gordon was a great guy who loved making children happy. He will be missed by our community but the tradition he started to celebrate the invention of the ice cream cone will continue.

### Surplus Sale

Surplus items from the old Kaysville Library will be sold at a surplus sale on August 25 from 10:00 a.m. to 2:00 p.m. at the old Library site (adjacent to City Hall). Items to be sold include tables, chairs, stools, carts, computer stands, shelving, newspaper rack, electric typewriters, laser printers, clocks, drawer units, paper cutter, curbside book return, filing cabinets, loveseat, benches, stereo, modular office furniture, display units and white board.
New Businesses

Mountain America Credit Union (195 North 400 West), Maverik (888 West 200 North), Smith’s Marketplace (1370 West 200 North, opening October 7), America First Credit Union (1302 West 200 North), Orlando’s Restaurant (141 North Main) and The Old Grist Mill Restaurant (334 North Main in the Village Square Shopping Center, opening in August).

Items Recently Addressed by the City Council

- Daughters of the Utah Pioneers are raising funds to move the George P. Adams cabin, built in the 1870s, to Heritage Park. They plan to use the cabin to educate children about pioneer life.
- A bike lane will be created along the Burton Lane overpass to make it safer for bicyclists. This is a narrow overpass. Please watch for bicycles in this area.
- Kaysville City and Farmington City jointly applied for, and received, a Local Planning Resource Program Grant from Wasatch Front Regional Council. The funds will be used to create a Bicycle Active Transportation Plan.
- Concerns regarding traffic speed were expressed by residents living on Haight Creek Drive and Deseret Drive. Please drive safely through Kaysville, especially in residential subdivisions, and obey all traffic signs. Be cognizant about the speed you drive through your own neighborhood.
- Concern about the lack of a trail or sidewalk along Burton Lane was expressed by citizens who walk and jog along Burton Lane. Utah State University recently entered into an agreement with the City to install a sidewalk on the north side of Burton Lane from Main Street to Via La Costa Way.
- West Creek Side Subdivision, located at 2260 West 200 North, received final approval. This subdivision will include a new elementary school.
- Beginning January 2016, City Council meetings will change from the first and third Tuesday of each month to the first and third Thursday of each month.

Davis County Library/Kaysville Branch

The new Kaysville Branch of the Davis County Library system, located at 215 North Fairfield Road, will open on Saturday, August 15. A ribbon cutting ceremony will take place on that day at 9:30 a.m. followed by a celebration in the library and adjoining Heritage Park. Festivities will include storytelling, juggling, face art, a mini train ride in the park for children and tours of the new library building. Please join us for this fun event.

The current Kaysville Branch will close for business on Thursday, August 6, at 5:00 p.m. and will reopen in the new location on August 15. Patrons should plan to pick up reserved items at other library locations until the library reopens on August 15. The new library will be 15,000 square feet in size and will open with a collection of approximately 85,000 items. Special features include a fireplace in the reading nook, two meeting rooms for small groups, expanded internet capability, wireless access, quiet study space and an auditorium that seats approximately 180. A piano will be available for recitals. Unique art features will include a tangram art wall in the children’s area, quality reproductions of select LeConte Stewart works, and a special display area.
