

NORTH DAVIS SEWER DISTRICT

Sewer Line Replacement

IMPORTANT NOTICE

From Monday, August 3rd to Tuesday, August 4th, the secondary water and irrigation lines servicing your home will be shut-off to allow placement of the new sewer line. The secondary water (irrigation lines) will be turned on by 12 noon on Wednesday, August 5th.

In preparation for this water shut-off, consider watering beforehand to ensure your lawns and gardens are properly watered. The shut-off will take place at 6:00 a.m. Monday morning and will be turned back on by 12 noon on Wednesday. Please plan accordingly.

We understand this is not an ideal time of year to have your water shut-off, but this work is very important for the future of your community. We appreciate your patience during this time of construction. If you have questions or concerns, please contact Michelle Hurst at (801) 633-1056 or by email at mhurst@langdongroupinc.com.
