

Indoor Program & Facility Safety Plan

Kaysville Parks & Recreation

Jr Jazz Basketball

Pre-School—4th Grade / November & December

Due to the current public health concerns surrounding COVID-19, Kaysville Parks & Recreation will be implementing the following action plan for all indoor close-contact or team sport programs until further notice.

Location Specifics:

All locations:

- **Player is limited to one (1) spectator.** Athlete participant and spectator must check in and enter the facility together. Think of your participant as your ticket to the game. You may not enter without your "ticket".
- Fans will be required to social distance and wear face masks.
- Players must wear facemasks when not actively playing in the game.
- Arrive 10 minutes prior to game start time and vacate the premises immediately following game completion.

Locations for Pre-School—4th Grade

- Burton Elementary
- Centennial Jr High
- Fairfield Jr High
- Kaysville Elementary
- Kaysville Jr High
- Kaysville Recreation Center

IMPORTANT NOTE: Spectator must enter the facility with the participant. No siblings or children under the age of 18 allowed. Adult spectator may have an infant under the age of one years old in tow as long as the infant is mobilized in the caregivers arms.

Game Preparation and Play:

1. Every athlete, coach, basketball official, staff and spectator must symptom check, including temperature checks, for *COVID-19 prior to entrance.
2. Athlete may bring a water bottle. Water bottles or other personal athletic gear may not be shared between players.
3. Spectators may not bring food or water into any of the facilities. After game treats not allowed in any facility.

Considerations

- Make sure your child and immediate household members are free from illness before participating in practice and competition (if there is doubt stay home).
- Provide personal items for your child and clearly label them.
- Disinfect your athletes personal equipment after each game or practice.

*COVID-19 Symptom Check

- ⇒ HAVE YOU HAD ANY OF THE FOLLOWING SYMPTOMS:
- Fever (100.4 degrees or higher eliminates entry)
 - Cough
 - Shortness of breath (unrelated to physical activity)
 - Sudden loss in the sense of taste or smell
 - Sore throat

Keep the Kids Playing!

By following these guidelines, kids can keep playing and we can help keep our community safe.
